- Some pupils find it harder than others to attend school. The school will work with pupils, parents and other local partners to remove any barriers to attendance.
- Subject to the terms of this policy, any day-to-day attendance issues that parents, carers, or pupils have should be discussed with the key worker or form tutor in the first instance. Where more detailed support around attendance is required, parents, carers, and pupils should contact the school designated Attendance lead (see contacts in section 8).

The SAC has overall responsibility for championing and improving attendance at the school and will:

- set a clear vision for improving and maintaining attendance

- review attendance data weekly, discuss and challenge trends and help school leaders focus improvement efforts on the individual pupils or cohorts who need it most
- Facilitate the Attendance Training programme, providing opportunity for Attendance leads to work together across the Trust.
- require the school to report school's attendance data at regular intervals.
- Annually review the attendance policy

4 Registration

- 4.1 The school maintains an attendance register and uses this to record each pupil's attendance at the start of the school day and again in the afternoon.

Registration session	Start time	End time (no longer than 30 mins after session start time)
Morning	[insert]	[insert]
Afternoon	[insert]	[insert]

- 4.2 Pupils who arrive after the start of a registration session but before the end of the registration session (within 30 minutes) will be marked as late. Where pupils arrive after the end of a registration session, the process set out at section 5 applies.
- 4.3 The register is marked using the national statutory attendance and absence codes which can be found in the DfE Attendance Guidance.
- 4.4 The register is marked on the day only and no codes are entered in advance. Information regarding possible future absences will be noted however confirmed and recorded on the day of absence.
- 4.5 Pupils are registered for each session and each lesson.
- 4.6 Where a pupil attends a registration session but does not attend subsequent lessons, we will treat this as a truancy and non-attendance matter in accordance with the behaviour policy and engage parents where necessary.

5 Late arrival

- 5.1 If a pupil arrives at the school after the relevant registration period has ended but within the relevant session, they must immediately go to the office to sign in and provide a reason for the lateness to enable the school to establish the appropriate attendance or absence code. In the absence of a satisfactory explanation, the register will be marked as unauthorised absence.
- 5.2 Persistent lateness will be investigated and may result in escalation as outlined in Appendix 2.

6 Reasons for absence and how to report or request authorisation

- 6.1 **Authorised absence** - absence will only be authorised where the school has given approval in advance for a pupil to not be in attendance or has accepted an explanation offered afterwards as justification for the absence. Only the school can authorise absence.
- 6.2 **Unauthorised absence** – absence will be marked as unauthorised where the school is not satisfied with the reasons given for the absence.

6.3 Reporting absence from the school

- 6.3.1 Where a **pupil** is to be absent from the school without prior permission, the parent/carer should inform the school by telephone on the morning of the day of the first absence and let the school know when they expect the **pupil** to return. If the return date is not confirmed on the first day of absence, parents/carers must contact the school on each day of absence.
- 6.3.2 On the day of return to the school, parents must also provide written confirmation of the reason(s) for the full period of absence.
- 6.3.3 Any unexplained absence will be followed up by the school promptly which may include staff conducting a home visit to check on the child's safety/welfare.
- 6.3.4 In cases where the school needs clarification to accurately record the absence in the attendance register, the parents/cares may be asked to provide the school with medical evidence, such as a note from the child's doctor to support an absence for illness. If satisfactory evidence is not provided, the absence may be marked as unauthorised.

6.4 Appointments

- 6.4.1 Medical, dental and other essential appointments for a pupil should take place outside of school hours where this is reasonably possible.
- 6.4.2 Where an appointment must take place during school time, the pupil should attend the school for as much of the day as possible and as

much prior notice as possible should be given to [insert person to inform – e.g. form tutor].

6.5 Leave of absence (including holidays during term time)

6.5.1 The school will grant permission for a pupil to be absent from school in the circumstances described in paragraph 37 of the DfE Attendance Guidance which can be summarised as follows:

- taking part in a regulated performance or employment abroad
- attendance at an interview for entry into another educational setting or future employment
- study leave for public examinations
- temporary, time-limited part-time timetable
- other exceptional circumstances.

6.5.2 Parents and carers should make every effort to avoid taking pupils out of education for holidays or other extended leave during term time..

6.5.3 To request a leave of absence, parents/carers must make the request in advance and in writing addressed to the Principal and, wherever possible, at least 4 school weeks ahead of the planned leave.

6.5.4 Where a leave of absence is requested as above, the Principal will consider the specific facts and circumstances relating to the request. The decision:

- will be confirmed in writing
- is solely at the Principal's discretion and
- is final.

6.5.5 Where permission is granted, the Principal will confirm the number of days and dates of absence which are authorised.

6.5.6 If permission is not granted and the parents/carers proceed to take their child out of the Academy, the absence will be marked as unauthorised and parents may be issued with a penalty notice or be subject to prosecution by the local authority (see section 7 below).

6.6 Religious observance

6.6.1 We recognise that pupils of certain faiths may need to participate in days of religious observance. Where a day of religious observance:

- falls during school time and

- has been exclusively set apart for religious observance by the religious body to which the pupil belongs,

the absence from the school will be authorised.

6.6.2 We ask that parents/carers notify the School by writing in advance where absence is required due to religious observance.

6.7 Coronavirus (Covid-19)

6.7.1 There may be circumstances in which pupils cannot attend school due to Covid-19. The school will adhere to any current guidance issued by the Department for Education relating to the recording of attendance in relation to Covid-19.

6.7.2 If a pupil tests positive for coronavirus, their absence will be recorded as illness.

7 Addressing poor attendance and punctuality

7.1 The school will use data to target attendance improvement efforts to the pupils or groups of pupils who need it most. In doing so, the School, led by the SAC will:

- monitor and analyse weekly attendance patterns, proactively using data to identify pupils at risk of poor attendance
- provide regular attendance reports to class teachers and relevant leaders
- identify pupils who need support from wider partners as soon as possible and deliver this support in a targeted manner
- conduct thorough analysis of weekly, half-termly, termly and fully year data to identify patterns and trends
- benchmark school attendance data at each level against local, regional and national level
- monitor the impact of school strategies and actions to improve attendance on particular pupils and particular groups
- work with the local authority and other local partners to identify groups
- hold regular meetings with the parents or carers of pupils who the school and/or local authority consider to be vulnerable

7.2 Our procedures for managing unexplained absences can be found in **Appendix 1.**

7.3 Where absence or punctuality is a cause for concern, for example because there is:

- a pattern of unauthorised absence
- a question over the reasons provided for a particular absence or late arrival
- persistent truancy or lateness

we will make contact with the parents/carers with a view to working together to support improved attendance and/or punctuality see **Appendix 2.**

7.4 Failure to attend or arrive at lessons on time may also be dealt with as a disciplinary matter in accordance with the behaviour policy.

7.5 In cases where the school has been unable to establish a clear reason for absence and/or has welfare concerns about the pupil, a home welfare check may be carried out.

7.6 Absence will be classed as persistent where it falls below 90% across the academic year. Absence at this level is very likely to hinder educational prospects and we expect full parental co-operation and support to urgently address these cases. Intervention steps may include implementation of an attendance action plan, referral to other agencies and/or seeking to put in place an attendance contract.

7.7 Where out of school barriers to attendance are identified, the school will signpost and support access to any additional services.

7.8 Where parents/carers have failed to ensure that their child of compulsory school age is regularly attending the school and wider support in accordance with this policy is not appropriate or effective, we may consider issuing a penalty notice. A penalty notice is a fine (£80 if paid within 21 days, £160 if paid within 28 days) imposed on parents which is intended to change behaviour without the need for criminal prosecution.

7.9 When considering whether to issue a penalty notice, we will have regard to:

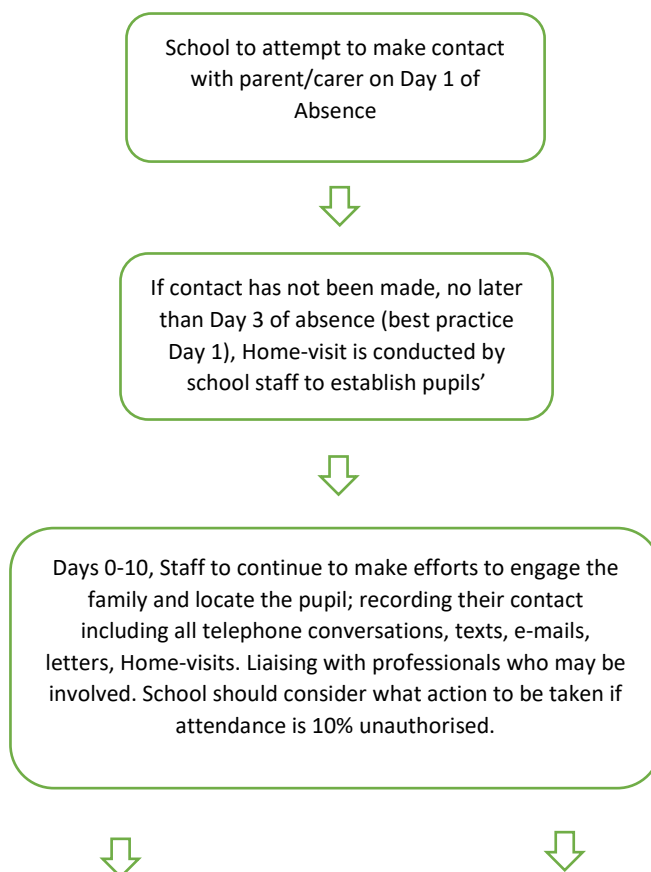

- the National Framework for penalty notices as set out in paragraphs 175 – 201 of the DfE Attendance Guidance; and
- the local authority's Code of Conduct for issuing penalty notices.

7.10 In the event that a penalty notice is issued but is not paid within 28 days, the local authority will decide whether to proceed to prosecution. The local authority also has separate powers to prosecute parents if their child of compulsory school age fails to attend school regularly.
